TOWN OF WAUKESHA

**Automated Refuse Collection
and Curbside Recycling Program**

The Town of Waukesha provides weekly curbside refuse removal service that includes household waste and bi-weekly curbside removal for recyclable materials. This service is provided by Advanced Disposal (formerly Veolia) in Hartland. Advanced Disposal welcomes you as a customer, and asks that you review the following information regarding your service. **Please retain this for future reference.**

COLLECTION DAYS – Refuse and recycling carts MUST be at the curb no later than 6:00 a.m. on the day of pickup. See Town of Waukesha [Garbage/Recycling Calendar](#)

HOLIDAY SCHEDULE - Advanced Disposal recognizes the following Legal Holidays: New Years Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day and Christmas Day. **Your day of service is one day late on weeks when a holiday falls on or before your pickup day.**

HOUSEHOLD GARBAGE - Bag and place in wheeled cart.

All normal household refuse such as non-recyclable paper, food waste, plastic bags, broken toys, ceramics, light bulbs, sawdust, polystyrene, cool ashes, etc. will be collected. Please bag garbage to keep materials from blowing in collector's eyes, spilling on the roadway and to keep the cart clean. Advanced Disposal is not responsible to clean unsanitary carts. Do not dispose of yard waste, recyclables and household hazardous waste in garbage cart.

Recycling carts must be placed within 2 ft. of the edge of the road or shoulder on one side of the driveway. The wheeled cart should be placed within 2 ft. of the edge of the road or shoulder, on the other side of the driveway. Keep wheeled cart away from poles, signs & mailbox.

RECYCLING - No Sorting Necessary

The days of separating recyclables are over! Recycling just got easier! Now all recyclables including paper, cardboard, plastics (#1, 2, 3, 4, 5, 7), aluminum cans, glass bottles, large rigid plastics, and cartons all go in the same container, mixed together. It's called "single sort" recycling. No bagging. No sorting. No hassle.

Items not accepted: trash, foam containers, plastic film, plastic bags, electronics, food or yard waste.

Recyclables will be collected every other week. Please see the [Garbage/Recycling Map](#) for more information on pickup schedule.

Bulky Items Collection – Appliances, Christmas Trees, etc. - All large items including furniture, carpeting, large metal, appliances and extra garbage (in cans or bags no larger than 35 gallons in size and 60 pounds in weight), are to be placed at the road for collection. Also included are small items such as automotive batteries, tires (two per collection), drain oil (contained in one gallon or larger sealed containers) if left next to the recycling bin on Bulky items collection days only. **The Bulky Item Collection does not include construction or remodeling materials, yard waste and hazardous or infectious waste.** The Bulky Items Collection will be on the 4th (not always the last) Tuesday of each month from homes with a regular Tuesday collection. Homes with a regular Friday collection will be on the 4th (not always the last) Friday of each month **Advanced Disposal will not be responsible for any items left within ten feet of garbage on Bulky Items Collection days which are disposed of in error.**

Note: Residents with up-the-drive service will need to place their bulky items at the road for collection.

Construction or Remodeling Materials

Construction or remodeling materials are not included in service provided. Please contact Advanced Disposal at (262) 367-6040 to arrange special pick up. A fee will be charged to be paid at the time of collection.

Latex/Water Based Paint: - Dry Out and Dispose in Household Trash

Dry water based paint before disposing in trash. Suggested drying materials are cat litter or sand. See paint disposal detail sheet contained in this packet.

Carpet

All carpet is collected on Bulky Items Collection Days. Carpet and carpet padding must be cut in four foot lengths, rolled and tied. Rolls can be no larger than one foot in diameter and have a 60 pound weight limit each.

Items Not Included in Service

Rock, dirt, stone, concrete, brick, landscape timbers, yard waste, brush, construction and remodeling materials, fire logs & business related materials will **not** be collected on Bulky Items Collection days. We would have to estimate a charge before making collections of these types of materials. **We also do not accept oil based paint/stains, pool chemicals, and/or other hazardous waste chemicals. Please call (262)896-8300 for hazardous waste disposal information or check www.waukeshacounty.gov/recycling.**

Electronics also require special disposal – see list of collection sites contained in this packet.
